## 2012/2013 Membership Subscription Form

**TAX INVOICE**

GPA Membership fees are made up of 2 parts:

1. A **membership application fee** of \$50.00 plus GST.
2. An **annual subscription** linked to the gross value of production of each member.

2012/2013 subscriptions are calculated as a function of gross value of production for the twelve months to June 30 2012. The 2011/12 subscription is 0.035% of gross farm gate value of production (GVP), with a \$50 minimum. For example, for \$200,000 of GVP a member will pay \$70.00 of subscription plus GST.

The amount of subscription fees paid by each member will be used to determine each member's voting entitlements.
